RUDOLF ZIESENHENNE
Begonia Specialist
1130 North Milpas Street
Santa Barbara, California

PRICE LIST - - MAY 1953

Following are begonias which may be shipped at once. If a particular begonia in which you are interested is not listed, do not hesitate to write me as I may be able to furnish it. Prices are at Santa Barbara, cash with order. I will submit a bill for postage or railway express charges.

RHIZOMATOUS BEGONIAS

- X Baby Brown -- Ziesenhenn hybrid, a miniature Fred Brown; chocolate brown, small, heart-shaped leaves; suitable for terrarium or indoor culture. \$1.00 each.
- circumlobata -- a Chinese begonia with deeply slashed leaves, pink flowers. Good grower; stays low. \$1.00 each.
- Dayii -- medium green leaf with chocolate veins; small, pale greenish-white flowers in Winter and Spring. \$1.00 each.
- hepatica-maculata -- thick light green leaves, heavily blotched with liver-colored markings; a distinctive, strong-growing plant found in Mexico by Mr. MacDougall. \$1.50 each.
- heracleifolia -- star-shaped, clear green leaves, with white hairs on stems; pink blossoms in late winter and spring. \$1.00 each.
- heracleifolia variety Silver Brooks -- star-shaped leaf with silver markings. \$1.00.
- hispidavillosa -- lettuce-green leaves, long hair all over plant; pink flowers in fall. \$1.00 each.
- X Joe Hayden -- satiny black leaves, lobed. A beautiful Ziesenhenn hybrid which has won prizes in many shows. \$1.50 each.
- Kenworthyi -- angular leafed with pinkish-grey cast; withstands dry conditions. \$1.50 each.
- longipes petiolata -- stout, succulent, erect stems with beautiful green leaves; white flowers. \$1.00 each.
- MacDougalli -- large, deep-green, compound leaves; tall stems with greenish-white flowers. \$1.00 each.
- X Palomar -- a hybrid of incana. Thick, hairy rhizome; somewhat frosted leaf; pink flowers. \$1.00 each.
- X Perle Lorraine (Bertha von Lothringen) -- bushy with glossy-green foliage; intermediate veins brown; pink flowers with dark rose on backs. 75¢ each.
- pinetorum -- hoary leaf, with clusters of pink flowers in winter; new leaves are lavender pink; good grower. \$1.00 each.
- rotundifolia -- light green leaves, scalloped on edge; white flowers on stems held high above foliage. \$1.50 each.
- X Skeezer variety Mirror Lake -- heart-shaped leaves, streaked with silver. \$1.00 ea.
- So-called Barkeri -- brown tomentum on entire plant. 50¢ each.
- squarrosa -- leaves shaped like Feastii, but with scaled stems and thin in texture, a lighter green; white flowers in clusters. 75¢ each.
- X 27-S -- leaves lobed, varying from dark brown to light green, sometimes overlaid with silver; very robust. \$1.50 each.

FIBROUS BEGONIAS

- andina -- low-growing plant, hoary stems and leaves; white flowers. 75¢ each.
Cuban Species -- yellowish-green holly-like leaves; stays low like Lady Waterlow.
50¢ each.
fuchsoides -- glossy-green leaves, about one inch long and small drooping scarlet
flowers. Will grow tall with support. 50¢ each.
Holly Leaf -- a Cuban species with holly-like leaves; flowers white. 50¢ each.
X Lady Waterlow -- small, sharply-toothed leaves, rugged and everblooming; should
be in every collection; excellent for permanent plantings. 50¢ each.
lobulata -- tall growing; lobed, green, grape-shaped leaves; clusters of white or
pinkish flowers in winter. 75¢ each.
X Luwalter -- my hybrid of incarnata and mazae; growth and leaf similar to
incarnata but very dark brown. 75¢ each.
macrocarpa -- brownish-green, narrow leaves; medium height. 75¢ each.
X Orange Supreme -- cane-type; orange flowers. \$1.00 each.
sceptrum -- deeply cut leaves, cane-like growth; very exotic; easy to grow. \$1.25 ea.
zebrina -- light green leaves with silver on veins; stems and backs of leaves red.
50¢ each.

FANCY-LEAVES BEGONIAS

- X Green Zeebowman -- thin rhizome, dark green leaves with hairs along the edge;
Rex-like in appearance. \$1.00 each.
Rex Hybrids - mixed -- some named, some unnamed varieties; interesting variations.
\$1.00 each.
versicolor -- new Chinese begonia with very hairy green leaves, marked with silver;
long red hair all over plant. \$1.50 each.
X Zeebowman -- like Green Zeebowman, but has silver markings on leaves. \$1.50 each.

HAIRY-LEAVED FIBROUS BEGONIAS

- ascetosa -- unequal, roundish leaves with short hairs over entire plant. \$1.50 ea.
Fernando Costal -- new Brazilian species, entirely covered with long hairs;
large leaves; plant holds erect clusters of large white flowers. \$1.50 each.
haageana -- outstanding, ever-popular bushy plant, having clusters of large
white flowers with reddish hairs on back. 75¢ each.
scharffiana -- low grower, good for baskets; husky, dark-green leaves, deep red
backs. \$1.00 each.

SEMI-TUBEROUS

- X Richard Robinson -- low, compact seedling of Macbethi; small leaves with silver
markings; a collector's item -- not any easy grower. \$1.00 each.
dregei -- grows to about two feet; many white flowers; very small bronze-colored
leaves. 75¢ each.

TRAILING BEGONIAS

- X E. O. Orpet -- excellent trailer, hardier and leaves larger than glaucophylla,
being bronzy green with red backs; flowers coral red. \$1.00 each.
X Frutescans -- dark green leaves, with dark red backs and stems. Makes a good
basket plant. \$1.00 each.
Mazae variety Stitched Leaf -- leaves green, veins along margin black. \$1.50 each.
